

Team Name: sdmay21- Project 19

Team Members: Ryan Burgett, Giovanni Mejia, Jordan Heim, Eric Reuss, Presiiian Iskrenov, Benjamin Fedderson

Report Period: Aug 31-Sept 13

### **Summary of Progress in this Period**

The entire team researched and presented different resources that we can potentially use for the project. We also discussed the lighting talk and various aspects of our project. We identified a couple programming languages to use with this project.

---

### **Pending Issues**

We are currently trying to determine a framework to work with. We also are trying to get all NDA and IP forms situated before we progress further in our project.

---

### **Plans for Upcoming Reporting Period**

Everyone in the group downloads and get familiar with Visual Studio. We want to make sure everyone is on the same page, so we can start a small development in our project.
